Most Recent Customer Feedback

Flush oil pipes to remove debris,, fit new pump, fire up boiler, fit filter, get radiators balanced and heating up. 10 / 10

Rupert knows what needs to be done and gets on with it without fuss. Having run out of oil and having an antiquated heating system we were in need of good advice to get our system up and running. We were lovely and warm by the end of the day and have a plan of action for the future,. **Customer in Lyndhurst, 25 January 2011**

Boiler breakdown repair 10 / 10

Can not thank Rupert enough for repairing our boiler for a reasonable price after another tradesman had ripped us off. He was extremely knowledgeable helpful tidy prompt and reasonably priced highly recommended . **Customer in romsey, 13 December 2010**

Replaced failed bearing on motor 10 / 10

Rupert fitted me in on the same morning of the call-out after my regular engineer said he couldn't come for 4 days! Very impressed with his work. He stripped down and repaired the motor when most engineers would have given up and just replaced the whole unit. Rupert has gained a new customer as I will certainly use Fired Oil for all future maintenance on this boiler. **Customer in Wimborne, 9 December 2010**

Service and pump replacement 10 / 10

A first class engineer, who went out of his way to help restore our boiler to good health and heat to our home .We would highly recommend him. **Customer in Fordingbridge, 17 November 2010**

New oil boiler 10 / 10

Rupert was very efficient and courteous and installed my new boiler with the minimum of disruption. I have had him back again recently to service my aga. I would recommend him 100%. **Customer in Wimborne, 29 October 2010**
